I wish to thank the various individuals who have taken part in this campaign for the sincers efforts they have put forth and for the result they have accomplished. Personally, it was a very pleasant campaign, and I have been surprised to find the intense loyalty that abounds in this county. I realized of course, that the people who were familiar with the conditions of our gov ernment and the seriousness of the ef forts necessary to be put forth to wir this war, would be loyal and willing to work, but I had not realized what : large per cent of the people were already familiar with this and willing

to do everything possibl I would like to personally thank each and every person who has assisted in this work, as well as all those who have taken out memberships. It should not be overlooked that the results desired ponliry will fit teachers to conduct fully accomplished until every town of any size in the county has become will fit teachers to conduct live stock branch member of the chapter of the Red Cross.
